There is a **“Refresh”** button (next to “Fetch Existing Policies”) to be used when changes are made to the underlying policies. By clicking on “Refresh”, it allows the underlying internal policies to be updated in the Commercial Umbrella quote.

External policies can be entered by clicking on the **Add** button for policies that are with another carrier.

Add all fields for the external policy and select **“Save & Close”**.

Declarations Page Upload

If there is an external policy, upload the declarations page here by clicking on “**Select**”. Upload the file and select “**Next**”.
