

## DO'S

actions you should  
take part in

Verify the license and insurance coverage  
of the contractor.

Check references  
and reviews.

Get multiple  
estimates.

Hire local contractors  
to avoid "storm  
chasers" who won't be  
available for follow-up  
if issues arise.

Get everything in  
writing, including  
a detailed scope  
of repairs and the  
estimated cost.

# DO'S AND DON'TS OF FINDING A CONTRACTOR

## DON'TS

actions you should  
not take part in

Don't sign a contract without reading it,  
especially the cancelation clause.

Don't feel pressured to  
make quick decisions  
or sign contracts.

Don't be afraid to ask  
questions about your  
insurance coverage.

Don't pay up front;  
only pay when the  
work is completed to  
your satisfaction.

Don't let work begin  
without insurance  
inspection and  
approval.
